Principal's Report

Another successful week was had by students at ABPS! I have witnessed many students achieving their personal best this week and having the opportunity to shine. It's always lovely to see the pride and joy that students have when they show their quality work, perform or achieve even more stellars. Well done for the excellent effort that is put in each and every day!

This week we acknowledge and celebrate SASS week. SASS stands for School Administrative Support Staff and this week, in particular, we say thank you to our office staff, school learning support officers and general assistants. Each and every one of these members of staff contribute to the day to day successful operation of our supportive school. They help our students in many ways from assisting their learning, caring and supporting them in their day and providing access to fantastic, well-maintained, safe facilities.

On Friday, your child will come home with their PBL Behaviour Report. This is a mid-semester report that highlights the achievements and areas for development for each child in relation to our PBL expectations. I encourage you to spend some time reading and talking with your child about their achievements.

Congratulations to the many students on the sporting front. From girls' basketball, girls' soccer and Zone Athletics participants, these participants have certainly done the school, parents and community proud. A huge congratulations to Nathaniel Thomas for his fantastic effort in Rugby Union! Well done Nathaniel! Please see the sport reports in this newsletter for more information.

On a creative note, well done to Lily Kennedy-Head! Lily was successful in her audition and then had the opportunity to perform in the Department of Education's Central Coast Showcase that was held at Laycock Theatre earlier last week. Congratulations to Valli Smith for her artwork that was chosen by Operation Art! Operation Art encourages children to create artworks for children in hospital, an initiative of the department and The Children's Hospital at Westmead. The artworks selected will be exhibited at The Armory Gallery, Sydney Olympic Park from the 15 September – 4 November. The exhibition is open daily from 10am – 4pm with free entry.

Many thanks to the P & C organising committee and volunteers who provided great gifts for the Father's Day stall last Wednesday. The students enjoyed purchasing gifts and I hope that Sunday was a relaxing and enjoyable day for all.

Last Friday, Kincumber High School students wowed our Years 1-6 students with their skills. Two students conducted science experiments and there were also four dancers and a singing and musical performance. It was a wonderful showcase displaying the opportunities that are provided at Kincumber HS and the talent that exists within our community.

Have a great week!

Sport Report

Girls Basketball

On Tuesday 28th August our girls PSSA basketball team played Erina Heights Public School in the final of the Sydney North region of the State Knockout. Our girls played extremely well and won the game 74-4. This means they are now in the top 8 teams in NSW and will compete in the State Finals in Sutherland on the 17th September. We congratulate them on an outstanding achievement and wish them well for the finals.

Rugby Union

A huge congratulations to Nathaniel Thomas for representing Sydney North at the recent PSSA State Rugby Championships. Nathaniel's team made it all the way to the finals where they were unfortunately beaten by Combined Independent Schools in a toughly contested match. Nathaniel was then selected in the PSSA State Rugby team and will compete in the National Championships in the coming future. We are all very proud of Nathaniel as this is an incredible achievement.

Zone Athletics

Congratulations to our Zone athletics team who braved the miserable conditions to compete in the SCC PSSA Zone Carnival at Mingara on Monday. Due to the weather conditions high jump events had to be postponed. A full report and results will be communicated when all events are finalised. Congratulations to all our competitors.

Girls Soccer

On Thursday 30th August our girls PSSA Soccer team travelled to Narrabeen to play Avalon Public School in the final of the Sydney North State Knockout. The girls put up a gallant effort but were unfortunately defeated 5-0. A huge congratulations to all the girls for making it this far in the competition. Also, a big thanks to Mr Wright and the parents for the coaching and support they gave the girls throughout the competition.

Mr Jarmaine.

SOCCER

On Thursday last week our girls soccer team travelled to Narrabeen Sports High to compete in the Sydney North final of the PSSA knockout competition. Unfortunately our girls came up against a very tough opposition in Avalon Public School. After a hard fought battle our girls were beaten 5-0.

I'd just like to highlight that the way in which these girls represented our school this term was outstanding. All 14 team members were consistently respectful and played an equally important role in all 7 rounds. It's a fantastic achievement to have made the top 16 teams in NSW and something the girls can be extremely proud of.

A special mention to the parents who always gave up their time, assisting with transport and cheering the girls on!

Chris Wright

P&C News

We would like to say a big Thank You to the Year 6 Scrunchie Girls - Leila, Airley, Pearl, Natasha and Abi who generously donated \$200 from their profits made at The Fair to the P&C funds to go back into the school. Well done girls, the scrunchies are fabulous.

Father's Day Stall

Another massive Thank You to Gazwa Rignall for organising the Father's Day Stall and to all the volunteers who helped out on the day to make it a huge success. All money raised will go back into our school. The Raffle will be drawn at this Friday's Assembly.

Our next P&C meeting will be held next Monday evening in the Staff Room from 7pm. All are welcome. If you have any queries or I can assist in any way please do not hesitate to contact me on avocabeachpandc@gmail.com.

PBL WEEK 7

This week our PBL focus has been on how to be **responsible** with school property and our personal belongings. Students have recognised the importance of labelling their clothing and equipment and putting it in their school bags after use.

Our school expectations require students to be responsible by being organised with permission notes, money and personal belongings. Students are demonstrating their personal best by checking lost property if their items are missing.

**VOLUNTEERS AT OUR SCHOOL**

Volunteers play an important role in the daily school routine. Please be aware that the Department of Education requires all volunteers to complete a Volunteer Declaration and provide Proof of Identity that meets the 100-point check. We are updating our records in accordance with these requirements and ask that anyone who is currently volunteering, or planning on doing so in the future, complete the attached declaration and return it to the office along with your 100 points as soon as possible. This not only applies to in-school volunteers but also anyone that at any stage may be transporting our students to off site activities.

For parents **transporting** students to off site activities please be aware that we still require copies of both your current driver's licence and current vehicle registration. **This documentation must be provided prior to the activities** and is required **even if you are transporting your own child**. In accordance with department requirements the transporting of students is not permitted until all documentation has been received.

EXTENDED LEAVE from ATTENDANCE. If you are planning a family holiday during the school term, **for more than 5 days**, parents need to apply for an **'Application for Extended Leave'** from school. An 'Application for Extended Leave-Travel' can be collected from the office. Once completed please return to the Principal at least two weeks prior to the leave then an approved **'Certificate of Extended leave - Travel'** will be issued. The original certificate will be signed, copied for school records and returned to parents. This needs to be carried during leave as it must be produced when requested by police or other authorised attendance officers.

Winter Uniform -Grey trousers: during the winter terms **boys and girls** can wear grey trousers. They are not available from Uniform shop or on flexi schools.

Black track suit pants: they can be worn on **sport** days – please note: not leggings or dance pants.

The Uniform Shop currently has black track pants in stock for \$5 each as well as girls grey tights age 8-10 \$2.00 a pair.

UNIFORM SHOP:

The uniform shop will be open on **THURSDAY ONLY 3pm-4pm**. All flexi orders placed will be sent home on Thursday or Friday. Please note that hats are available every day in the Canteen. Orders can be made online www.flexischools.com.au. At the end of term 3 and beginning of term 4 we will be open 2 days again, (for the change to Summer Uniform) and also in the run up to Kindy 2019.

Thanks

Fi Currie and Jo Newman – Uniform Shop

HEADLICE – Please be aware that there have been several cases of headlice at the school. Please check your child's hair for lice tonight and continue to do so on a regular basis using the methods described in the information provided on the websites. Parking Restrictions Outside Schools

KIDS LOOK TO US TO KEEP THEM SAFE - PARK LEGALLY IN SCHOOL ZONES

Central Coast Council would like to remind parents of parking restrictions outside your school. Please pay close attention to the signs outside your child's primary school and watch your speed when travelling through all school zones.

NO STOPPING zone

Stopping is NOT permitted at any time.

BUS ZONE

Stopping is not permitted during the times shown on the sign.

DOUBLE PARKING

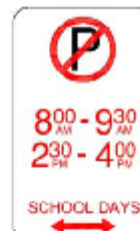

You are not permitted to stop OR park alongside another vehicle already parked parallel to the kerb. This means do not form a queue in the middle of the lane if you are waiting.

Move on, do a loop and come back.

NO PARKING zone

Drivers may drop off and pick up children during the times shown on the sign BUT note:

- Maximum stopping time is 2 MINUTES – your child must exit and enter the car within this time.
- Driver must remain within 3 METRES of the vehicle – you may get out to help with bags etc.
- Stop as close as possible to the top of the zone to allow access for vehicles following behind.

Stopping ON or ACROSS a driveway or other access point to and from a property is not permitted under any circumstance.

You must always consider the school's neighbours by leaving space at their driveways to allow safe exit and entry to the roadway.

Travelling more than 40 km/hour through school zones may inhibit a car from stopping in time to avoid hitting a pedestrian. Parking illegally also creates serious risks as it limits the vision of other drivers.

It only takes a split second for an accident to occur and only one car to present a danger to an unknowing child.

Please be aware of the restrictions and park safely outside your child's school.

For more information regarding parking restriction around your school please contact Council's Road Safety Officers via email at: roadsafety@centralcoast.nsw.gov.au

Safety learning program

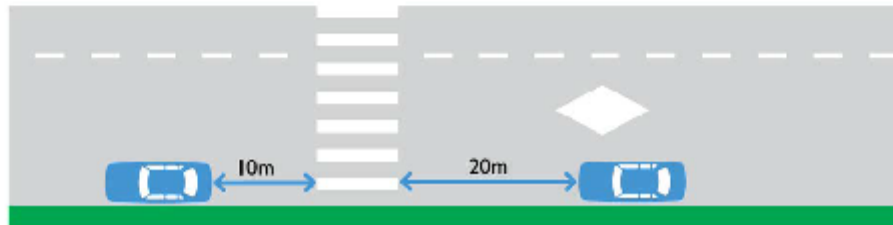

School Traffic and Parking Around Your Local Community

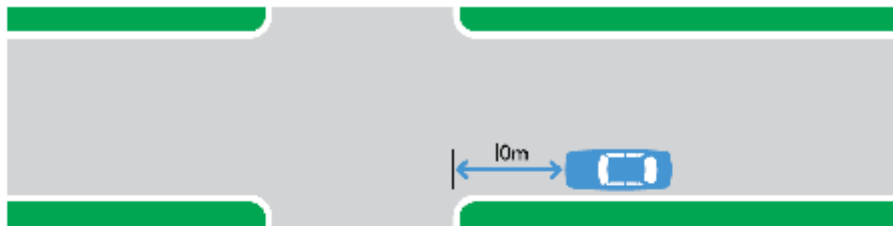

Parking rules are designed to stop vehicles from parking where it would be dangerous or inconvenient for others. Please consider the residents when parking in streets surrounding your school.

You must not stop your vehicle (that is, bring it to a stop and either stay with the vehicle or leave it parked) in the following circumstances:

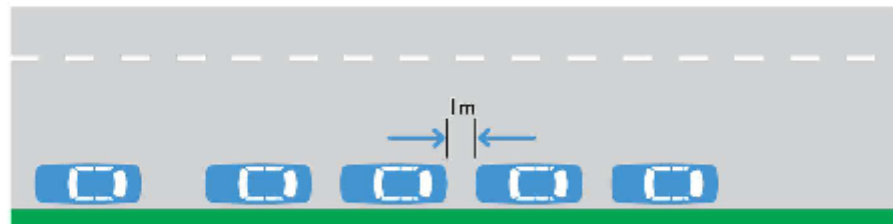

- ❑ Double parked (that is in the road alongside a car that is parked)
- ❑ Across a driveway or footpath
- ❑ On a median strip or traffic island
- ❑ On footpaths and nature strips
- ❑ On or within 20 metres before and 10 metres after a children's crossing or pedestrian crossing

- ❑ Within an intersection
- ❑ Within 10 metres of an intersecting road at an intersection without traffic lights unless signposted otherwise

- ❑ In Bus Stop, Bus Zone, Taxi Stand or Taxi Zone signed areas
- ❑ At least one (1) metre from any other parked vehicle, close as possible and parallel to the kerb, and facing the same direction as the traffic lane

- ❑ Within three (3) metres of any double centre lines
- ❑ Within 20 metres before and 10 metres after a bus stop

Adherence to signposting, linemarking and road rules around your school will assist in providing a safe environment for the school community and residents.
