Dear Parents,

Welcome back to the final term for 2021. Last week, the Premier announced that the staggered return to school has been brought forward by one week. We are looking forward to welcoming all our staff and students back to the school site and face to face learning. All going well and if we can safely come out of lockdown and the current "stay at home" orders, the schedule will be:

- 18th October: Kindergarten and Year 1 return to school
- 25th October: Year 2 and Year 6 return to school
- 1st November: all students return to school.

### Term 4 Calendar

At this stage the Term 4 calendar is very clear due to the fact that we must adhere to strict COVID guidelines throughout the term. We have pencilled in our end of year activities and will be keeping everything crossed in the hope our students, particularly Year 6, can enjoy these opportunities. All these dates can be found in the term calendar attached to this newsletter.

### K-2 Playground upgrade & Basketball court

As part of the NSW Government Regional Renewal Program, the school has received joint funding to upgrade the basketball court. It is hoped that work will now begin throughout this term. We are also excited about upgrading the K-2 playground equipment. The P&C have been working hard to secure grants for this to happen and we hope to be able to announce later in the term, in more detail, what we will be able to do in this space. Upgrading these areas will be a nice, refreshing change for our students heading into 2022.

### Uniform

It is now officially time for students to wear the summer uniform. Could I also please ask parents to make sure that names are clearly marked on all uniform items, including hats. It may also be a good time to check uniforms and make sure children haven't inadvertently brought home someone else's hat or jumper.

### Wall of Fame

Congratulations to Jeanie (5M), Leon (5F) and Hannah (5F) who are the latest students to reach the Millionaire's Club! Keep up the great work with your reading on Lit Pro.

Jasper and Tilleah created fantastic artworks for this year's AECG awards ceremony. What an amazing talent these two students have!

Please remember the canteen and uniform shop will be using a new app for online orders. Please download the SPRIGGY SCHOOLS app or login on desktop to create your new accounts ready to go. We are still waiting to hear when we are allowed to start operating again and as to how we are going to work our service around strict department Covid 19 regulations. We will put out messages on the school app and face book pages when the uniform shop is open online.
